

3 - TIER

READING

MODEL

**Tier II Follow-up**

## Instructional Alignment Activity

- Select a unit in your core reading program and corresponding lessons in your reading intervention program
- Complete the Instructional Alignment Form

## Short-Term Goals Activity

- Read the handout
- Use your class data to determine short-term goals for two of your struggling readers
- Write the short-term goals on the handout

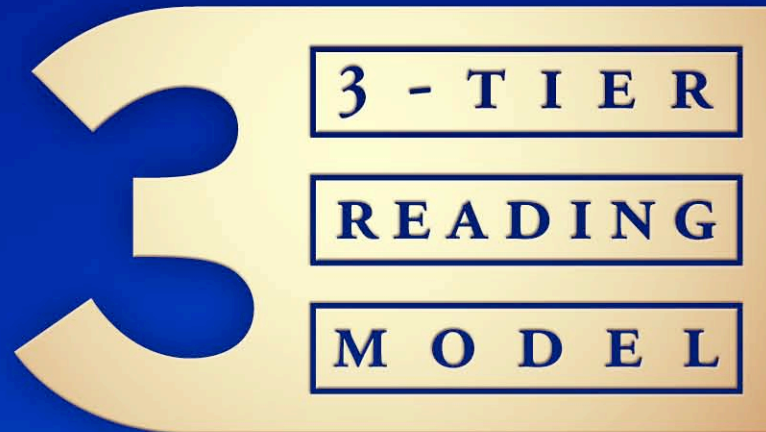

## Planning Tier II Instruction Activity

- Examine the Sample Tier II Intervention Lesson Plan handout
- Using assessment data, determine which components of reading need to be targeted for a group of struggling readers
- Plan appropriate lessons that build on what students know and are learning
- Complete the Activity Tier II Intervention Lesson Plan handout
