

Lesson 15 Student Answer Sheet 1 - Roberto

Name: _____ Partner: _____

Roberto feels his science teacher doesn't like him because she refuses to accept his homework because it's too messy. Roberto feels that at least he does the work, and she should accept it the way it is. Now he feels resentful because he took the time to do his homework and got nothing to show for it. His science grade has dropped a lot because of the zero he got for the homework assignment and his negative change in attitude about the class.

Step 5: Brainstorm possible solutions:

Come up with 3 or 4 possible solutions (thoughtful responses) to the problem.

1. _____
2. _____
3. _____
4. _____

Step 6, part 1: Pick the best

Circle the best solution(s). Write your advice for what Roberto should do to solve the problem.
