

Project GOAL Lesson 5

SAMPLE SCENARIO:

1. Hey Tanesha, look at Ms. Brown's purse on her desk.
2. What about it?
1. She always has a lot of cash and I know you need money. Just take it and get the money. After that I'll take the wallet and credit cards.
2. I can't do it. I really like Ms. Brown.
1. What's wrong with you- you need the money, don't you?
2. Yeah, I do, but...
1. You scared? She'll never know that you did it. Come on!
